

# INVITATION TO BID

Notice is hereby given that the Southwestern Illinois Flood Prevention District Council (SIFPDC), the OWNER, will receive sealed Bids delivered to Mr. Charles Etwert at the SIFPDC Office, 104 United Drive, Collinsville, Illinois 62234 until **2:00 p.m.** local time on **Tuesday, February 24, 2026**, for the construction of DESIGN DEFICIENCY CORRECTIONS FOR WOOD RIVER, ILLINOIS FLOOD PROTECTION PROJECT | BID PACKAGE 09 - UNDERSEEPAGE CONTROLS FROM 511+00 TO 538+00. Bids will be publicly opened and read at the SIFPDC Office at **2:01 p.m.** local time on **Tuesday, February 24, 2026**.

A pre-bid conference will be held at **9:30 a.m.** on **Friday, January 23, 2026**, at the SIFPDC Office, 104 United Drive, Collinsville, Illinois 62234. Representatives of OWNER (ENGINEER) will be present to discuss the Project. The ENGINEER will transmit to all prospective Bidders of Record such Addenda as ENGINEER considers necessary in response to questions arising at the conference. Oral statements may not be relied upon and will not be binding or legally effective.

A site visit will be held immediately after the pre-bid meeting with representatives of OWNER (ENGINEER) to leave the SIFPDC Office, 104 United Drive, Collinsville, Illinois 62234 at approximately **9:45 a.m.** on **Friday, January 23, 2026**. The site is approximately 15 minutes from the SIFPDC Office, and the site visit is expected to last approximately 30 minutes. A schedule of the day's pre-bid activities is below:

- 09:30 a.m. – 09:45 a.m. – Bid Package 09 pre-bid conference
- 09:45 a.m. – 10:15 a.m. – Drive to Project Site: **6954 IL-111, South Roxana, IL 62087**
- 10:15 a.m. – 10:45 a.m. – Bid Package 09 site visit
- 10:45 a.m. – End of activities

**Apple Maps Link to Project Site:** <https://maps.apple/p/quR06D4b5BDUvK>

**Google Maps Link to Project Site:** <https://maps.app.goo.gl/TPZUuJrDh9ePvLn69>

**The project site is on the same property as the Village of Roxana Water Treatment Facility. The Village of Roxana is not the owner of the project and prospective bidders shall not make inquiries about the project to personnel at the water treatment facility nor park vehicles in the water treatment facility parking lot.**

# INVITATION TO BID

The estimated magnitude of the project is between \$2,000,000 and \$4,000,000.

The project includes the following major features:

- Placement of fill for a levee seepage berm  
(Contractor sourced (SM) borrow material, 71,853 CY)
- Construction of a trapezoidal ditch
- Construction of concrete pipe culvert and precast structures
- Installation of 6 piezometers

All Bidders are required to submit with their bid, qualification information as described in Document 00 200, Instructions to Bidders.

Prospective bidders shall submit a request for bidding documents to Dalton Brookshire (dalton.brookshire@wsp.com) (618) 606-9282 and include the following information in their request:

Contact Name:

Company Name:

Company Address:

Company Phone:

Cell Phone:

E-mail Address:

Contractor Type:

Bidding Documents will be released to prospective bidders at **12:00 p.m. (noon time) on Tuesday, January 20, 2026**. Prospective bidders are encouraged to contact Dalton Brookshire prior to January 20, 2026, to ensure immediate access to the bidding documents when released.

## **PROJECT # SIFPDC-BP09**

All Bids will remain subject to acceptance for sixty (60) days after the day of Bid opening, but OWNER may, in its sole discretion, release any Bid and return the Bid security prior to that date.

A Bid security in the amount of five percent of the Bidder's maximum Bid Price, including all optional work items, is required. The OWNER reserves the right to reject any or all Bids and to waive all informalities not involving price, time, or changes in the Work.
